

Other London Employment Services for Disabled People.

[Future Ambitions](#) is a brand new service aimed at supporting young disabled people aged 16 to 25 in Hackney, Islington, Newham and Tower Hamlets into long-term sustainable employment.

[Worksmart](#) supports young disabled people (16 to 25) living in London into employment or training.

[The Camden Society](#) offers a range of employment and learning services for people with learning disabilities. It offers support to employers to help them understand various forms of disability in the workplace.

[Kith & Kids Employment and Life Skills Project](#) supports young adults who have a learning disability and / or autism to develop skills to access further education and employment. Parents can also access support and information relating to carers' needs assessment, personal budget management and residential provision.
